****Hiccup****

Astrid

Together

The crowd roared with anticipation as the concert started. Berk had never had such a great gathering of people. The spotlights shone to the stage as Stoick the Vast made his way to center stage, receiving a large round of applause. Once he reached the center, he spoke into the mic.

"Thank you, all of you, for coming to the first annual Battle of the Bands. You have come from far and wide to hear these people sing their hearts out. And now, to kick it all off, Your hosts, Hiccup and Astrid."

The crowd roared in Excitement as Hiccup and Astrid made their way on to stage and silenced as the composer readied the orchestra.

And then they started.

****In the beginning******

>I never thought it would be you.******

>**When we were chilling****
>**Smiling in the photo booth****.**
>But we got closer ** (yeah)**_
>_Soon you were eating off my spoon.__
>_You're coming over__
>_And we would talk all afternoon.__

Tonight we'll just get drunk
>Disturb the peace
>Find your hands all over me
>And then you bite your lip
>Whisper and say,_ "We're going all the way."_

Tonight
>Take me to the other side
>Sparks fly like the Fourth of July
>Just take me to the other side
>I see that sexy look in your eyes
>And I know we ain't friends anymore
>If we walk down this road_
>_We'll be lovers for sure_
>So tonight kiss me like it's do or die
And take me to the other side

This could be perfect **_(yeah)_
>**But we won't know unless we try.**
>I know you're nervous_
>_So just sit back and let me drive_

Tonight we'll just get drunk
>Disturb the peace
>Find your hands all over me
>And then you bite your lip_
>_Whisper and say,_ **"We're going all the way."*****

Tonight
>Take me to the other side
>Sparks fly like the Fourth of July
>Just take me to the other side
>I see that sexy look in your eyes
>**And I know we ain't friends anymore**
>If we walk down this road_
>_We'll be lovers for sure_
>So tonight kiss me like it's do or die
And take me to the other side

(Whoa)

Kiss me like it's do or die*
>_And take me to the other side_

Tonight we'll just get drunk
>Disturb the peace
>Let your love crash into me
>And then you bite your lip
>Whisper and say, "We're going all the way."

>
Tonight
>Take me to the other side

>Sparks fly like the Fourth of July
>Just take me to the other side _(take me, baby)_
>I see that sexy look in your eyes
>And I know we ain't friends anymore

The crowd burst into an applauding frenzy as Hiccup and Astrid embraced in a long, passionate kiss, before turning to the crowd.

"Thank you everyone, we hope this will be a night to remember for all of you." Hiccup shouted after catching his breath.

"And there's much more to come, so don't go anywhere."

Astrid included.

Hiccup took out a small notebook and read through it.

"Next up is..."

****And I leave that for the audience to decide.****

****Ruffnut**
>

"Next up isâ€|" Hiccup stated, before Astrid cut in,

As the crowd was about to applaud, a large crash came from behind the stage, followed by screaming and shouting.

"What's your problem?"

"I don't have one. What's yours?"

Hiccup sighed heavily. "Come on guys."

"Troll."

"Butt-elf."

"Bride of Grendel."

"HEY GUYS, GET OUT HERE NOWWWW." Screamed Astrid, who had just about had enough of their constant bickering.

A few seconds passed and the twins peered past the curtains before fully revealing themselves. Their appearance was rewarded with a resounding applause.

"This is awesome."

"I know, it's epic."

"Yeah, yeah, yeah, just start singing already." Astrid called from the raised podium to the side of the stage.

"You got it."

By the end, the twins were both on the floor trying to maul one

"Okayyyy...!" Said Hiccup as he watched them being dragged off stage.
"Next up isâ€¦!"

"Thank you all. It is an honour to perform for you. Mulan smiled to the crowd.

Mulan continued, "I would like to introduce my group singers."

The curtains shook and Mulan's fellow singers came onto the stage, to which the audience absolutely exploded with joy at.

Peaches, Steffie(Ice Age 4) and Ruffnut -who now had a black eye- Walked onto stage and Astrid jumped onto stage as well before each took their positions -mammoths on one side, vikings on the other- of Mulan, and the song started.

><p>I'm breakin' down

Gonna start from scratch

Shake it off like an etch-a-sketch

My lips are saying goodbye

My eyes are finally dry

I'm not the way that I used to be

I took the record off repeat

It killed me but I survived

And now I'm coming alive

I'll never be that girl again

No oh oh_

>

I'll never be that girl again

No oh oh

My innocence is wearin' thin

But my heart is growing strong

So call me, call me, call me

But my heart is growing strong

So call me, call me, call me

Everything is changing and I never wanna go back to the way it was

I'm finding who I am and who I am from here and now is gonna be
enough (is gonna be enough)

><p>everyone cheered for the fantastic performance and each of the girls-minus Astrid, who returned to the raised platform-we're walked off by their men-or boyfriends.<p>

"Fantastic job," Hiccup commented. " And next up is..."

><p>Dipper, next time.<p>

4. Lol muffins:Dipper : Stronger

It took a while, but I finally typed the chapter Lol muffins suggested to me. To Lol muffins, you are mentioned in the story.

Here goes nothin'.

* * *

><p>"Next up is Dipper Pines," Astrid called and Dipper made his way onto the stage.<p>

The crowd cheered for his arrival and Mabel, Wendy and Soos started handing out merchandise.

"Gravity Falls T-shirts! Awesome sweaters like mine! Dipper Hats!" Mabel shouted as fans swarmed to get the merchandise. One girl of about 10 bought a sweater and hat, as well as a free pic with Mabel.

Everyone was cheering for a nervous but determined Dipper, and the music started.

><p>You know the bed feels warmer
Sleeping here alone
>You know I dream in color
And do the things I want

You think you got the best of me

>Think you've had the last laugh
Bet you think that everything

good is gone

Think you left me broken down

>Think that I'd come running back
Baby you don't know me, cause
you're dead wrong

What doesn't kill you makes you stronger

>Stand a little taller
Doesn't mean I'm lonely when I'm
alone

What doesn't kill you makes a fighter

>Footsteps even lighter
Doesn't mean I'm over 'cause you're
gone

What doesn't kill you makes you stronger, stronger

>Just me, myself and I<p>

What doesn't kill you makes you stronger

>Stand a little taller
Doesn't mean I'm lonely when I'm alone

You heard that I was starting over with someone new

You didn't think that I'd
come back

You try to break me

**Okay, I had nowhere to put this song in my story, but it's just so
good, I must share it with my fans. The song is called Sticks and
Stones, by Jonsi. It is played at the end of How To Train Your

6. Author: Elsa & Anna: Let it Go

****Okay, everyone, today is a special singer, who has her first movie coming out soon. Hope you enjoy.****

* * *

><p>"Next up is, a special guest, from the land of Arendelle," Astrid said, "Please welcome Elsa, the Snow Queen..."<p>

Olaf, the snowman, quickly ran out of the curtains, over to Hiccup and whispered something into his ear. He then quickly ran back, quickly waving to the cheering and cooing crowd, making sure to hold his face, so the spotlights wouldn't melt it

"...Oh, and Princess Anna" Hiccup added.

Both girls came out on stage, Olaf accompanying them, to be met with

fanatic applause. The lights dimmed and let off a soft blue and a chill crossed the stage, snow and icicles forming as it passed.

The music started and the girls started to sing in unison.

* * *

><p>Let it go, let it go
Can't hold it back anymore
>Let it go, let it go
Turn my back and slam the door

The snow blows white on the mountain tonight
>Not a footprint to be seen
A kingdom of isolation and it looks like I'm the queen
>The wind is howling like the swirling storm inside
Couldn't keep it in
>Heaven knows I tried<p>

Don't let them in, don't let them see
>Be the good girl you always have to be
Conceal, don't feel, don't let them know
>Well now they know<p>

Let it go, let it go
>Can't hold it back anymore
Let it go, let it go,
>Turn my back and slam the door
And here I stand
>And here I'll stay
Let it go, let it go
>The cold never bothered me anyway<p>

It's funny how some distance makes everything seem small
>And the fears that once controlled me can't get to me at all
Up here in the cold thin air I finally can breathe
>I know I left a life behind but I'm too relieved to grieve<p>

Let it go, let it go
>Can't hold it back anymore
Let it go, let it go,
>Turn my back and slam the door
And here I stand
>And here I'll stay
Let it go, let it go
>The cold never bothered me anyway<p>

Standing frozen in the life I've chosen
>You won't find me, the past is so behind me
Buried in the snow

Let it go, let it go
>Can't hold it back anymore
Let it go, let it go,
>Turn my back and slam the door
And here I stand
>And here I'll stay
Let it go, let it go
>The cold never bothered me anyway.<p>

* * *

><p>Clapping, whistling, and cheering erupted from the crowd and the girls bowed before turning around and heading backstage, the snow and icicles receding as they did so...<p>

Astrid happily cheered before taking the mic, "Okay, Next up is..."

* * *

><p>I don't know who will be next, but that could be up to you.

****Ty, god bless.****
